

WORKING TOGETHER

WHAT KINETIC GPO DOES FOR MEMBERS

Kinetic GPO is a Group Purchasing Organization (GPO) that empowers Members to leverage their collective ability to benefit from group buying and achieve greater savings on all goods and services that an awarded supplier has to offer.

Kinetic GPO's contracting policies, procedures, and processes are compliant with the Canadian Free Trade Agreement (CFTA), the Comprehensive Economic and Trade Agreement (CETA), the Atlantic Trade and Procurement Partnership (ATPP), the Ontario Broader Public Sector (BPS) Procurement Directive, the Ontario-Quebec Trade and Cooperation Agreement (OQTCA), and the New West Partnership Agreement (NWPTA).

GPO's play an important role in the public sector by reducing procurement costs, shortening the time to acquire what's needed, ensuring compliance, and mitigating bias and risk associated with Public Sector purchasing.
