

RESORT VILLAGE OF ELK RIDGE

BYLAW NO. 27-2022

SCHEDULE "B"

PERMIT TO BURN

PERMIT # _____

Date _____

This permit authorizes _____ of _____, (owner/occupant)
_____ (address of burn), to burn the following:

List materials to be burned:

_____ on the above
mentioned property between the ____ day of _____, 20____ and the ____ day of
_____, 20____, in compliance with the following conditions:

BEFORE BURNING YOU MUST CALL THE BURN CONTROL CENTRE AT 1-866-404-4911

BURNS MUST BE SUPERVISED AND UNDER CONTROL AT ALL TIMES

Where a permit is issued, the issuer shall determine the special precautions if any, to be taken. Unless the issuer otherwise prescribes in writing the permittee shall pile the material to be burned in heaps or rows and he shall not start a fire or cause a fire to be started within fifty yards from any forest land.

Every permittee shall:

Exercise every reasonable care and precaution to prevent the fire from spreading and carefully extinguish it before leaving the place;

Notify the owners or occupiers of any adjacent forest land before starting the fire.

The issuance of a burning permit does not discharge the person acting thereunder from responsibility for damage caused by the fire.

Notwithstanding the issuance of a permit, no fire shall be started if conditions exist that may cause the fire to spread or go out of control.

If a fire spreads or is likely to spread and expenditure is incurred by the Municipality or any person in controlling or extinguishing the fire, the permittee is liable for the amount expended, and the amount may be recovered in any Court of Competent Jurisdiction.

THIS PERMIT WILL BE VOID WHEN A FIRE BAN IS IN EFFECT

The Resort Village of Elk Ridge accepts no responsibility for liability or costs incurred as a result of authorizing this permit.

Authorized Permit Issuer, Title

PERMIT NUMBER

Bylaw 2024-10 Responsibilities of Permittee:

1. Fire is to be supervised and under control at all times.
2. Every permittee shall exercise every reasonable care and precaution to prevent the fire from spreading, to extinguish the fire upon permit expiry, and to ensure the fire is completely out.
3. Notwithstanding the issue of a permit, no fire shall be started if conditions exist that might cause the fire to spread beyond the control of the permittee.
4. If a fire spreads or is likely to spread and expenditure is incurred to suppress or control the fire, the permittee is liable for all costs incurred, which may be recovered in any court of competent jurisdiction.
5. The permittee is not exempt from damages that may be caused to adjacent landowners.
6. Smoke management concerns are to be adhered to, including (but not limited to) the following:
 - a. smoke must not at any time affect road traffic safety.
 - b. smoke must not at any time affect the health and well-being of adjacent homeowners, businesses, or the general public.
